

REMARKS

Applicant has amended claim 14 to be properly dependent upon claim 9 which was improperly dependent upon claim 1 in the previous Amendment filed on May 8, 2003. This is the only amendment to the claims and does not introduce any new issues into the application. It is therefore most respectfully requested that this minor typographical error be corrected and this Supplemental Amendment be entered.

In view of the above comments and further amendments to the claims, favorable reconsideration and allowance of all of the claims now present in the application are most respectfully requested.

Respectfully submitted,
BACON & THOMAS, PLLC
